Sir,

Sub:- Buildings - Government Arts College, Mangalore provision of a gas Holder - administrative approval - requested -

---

In enclosing duly countersigned the estimate and plan for Rs. 9650/- for the replacement of the existing gas holder in the Government Arts College, Mangalore, I request that Government may accord their administrative approval for the execution of the above work during the current year.

2. There is a provision of Rs.10,000/- in the minor works budget estimates for 1954-55.

3. The necessity for the work is explained below:-

The existing gas holder of 750 Cft. has become rusty and is developing holes now and then since it has been in use for long. The iron sheet which has become thin does not allow welding too often without developing holes. Hence the necessity for a new gas holder. The proposed gas holder is of 1000 C.Ft. capacity.

In the circumstances I request that Government may accord their approval at an early date.

Yours faithfully,
